REGISTRATION PROCESS:

Programs are filled on a first-come, first-served basis. We encourage early registration to secure your place. This also helps to give you plenty of preparation time. To complete your registration please send in:

- Deposit of \$200
- Registration Form with Signature
- Medical Form
- Registration Questions (prep beginnings)

After we receive the above information we would like to conduct a follow-up call with you. One of the guides will contact you, and this can be a time to get to know you a little more, to outline the plan for the trip, and for you to ask questions you may have. After this we will send preparation materials to you including information on travel and accommodations, a list of what to bring and instructions for preparation activities.

***GriefRites reserves the right to refuse service to anyone for any reason. For the safety of all participants, we require that participants be in good physical, mental and emotional health, as programs can be physically and psychologically challenging.**

PROGRAM CANCELLATIONS:

If a minimum number of people are not registered in a program three weeks prior to the start date, the program might be canceled. If the program is canceled due to low enrollment, registered participants will be given a full refund. However, we are not responsible for travel arrangements made before we confirm that the program has sufficient enrollment.

CANCELLATION POLICY

- Deposits are non-refundable unless we cancel the program or it is full.
- Cancellations by you must be received in writing (email, fax or US mail).
- If you cancel at least 6 weeks before program start date we will refund the full amount (minus deposit). If you cancel less than 6 weeks before program start date, we will refund 50% of total (unless your spot is filled by someone on the wait list).

Note: Your decision to enroll in GriefRites represents a commitment on your part to engage in a journey that has the potential to be rewarding and supportive, as well as challenging at times. In many ways, the program starts the moment you decide to sign up. Begin to watch what starts to emerge in your inner and outer life.

As the start date to the program draws nearer, you will possibly, almost inevitably, experience some amount of questioning and fear. Circumstances in your life may also conveniently present themselves as potential obstacles to actually embarking on this journey. We encourage you to register with this in mind as well as the knowledge that your guides will support you during this pre-trip journey. We want to be sure that this is a good time for you to do this program, while also wanting to help you in working with and through fears that may show up during this pre-trip time. Our role as guide for you on GriefRites starts now, too.

By signing this form, I am acknowledging that I have read and agree to all of the policies listed above.

Please describe your intention for our time together, at this point (knowing it may change as we go along).

Is there a specific loss(es) that you would like to work with while you are on the trip?

If so, please describe your loss and what you see as the “next step” in engaging this process.
